TEXT - Jonah 2

Matt.12:39-40

MAIN IDEA—No matter how bad your situation or how long you've run from God now is the time to get right with God.

CRY OUT TO GOD IN YOUR DISTRESS (V1-7). Only as Jonah sank in the depths of the ocean with imminent death upon him, he cried out to God and the LORD met him at this lowest of low points.

V2-7 is Jonah describing his experience of sinking in the water before he is swallowed by the great fish.
