**God's Word prophesied: Christ's betrayal (Ps.41:9), his arrest (Is.53:7), manhandled (Ps.22:12-13), forsaken (Zech.13:7).**

**Prov.10:7**

**THE ARREST OF CHRIST (V53-54)**—Under the cover of night Jesus was arrested by soldiers sent by the Chief Priests and religious leaders. They had a nighttime hearing and a rushed hearing early Friday morning to give the appearance that everything was done by the law. Yet the entire time they were so bent on executing Jesus that they broke their own laws in the process.

**> Falsely Accused (V55-56)**—Jesus is the sinless Lamb of God, therefore no matter how hard they tried they couldn't find real evidence of lawbreaking (**Is.53:9**).

**> Are You The Christ (V60-62)?** Jesus remained silent while His accusers lied further fulfilling Isaiah's prophecy of the suffering Messiah (**Is.53:7**).

**Rev.1:7**

**> Bruised For Our Iniquities (V63-65)**—Jesus was condemned and sentenced to die on the cross for blasphemy, even though He simply told the truth about who He was. He was spat upon, repeatedly punched, mocked, slapped, and humiliated by soldiers and the religious leaders.

**Is.53:5-6, 10**

**Rom.11:33-36**

**2 Lessons for Living**

**\*Because God is Sovereign over Christ's suffering, all who trust in Christ's sufferings for us are forgiven & accepted into God's family (with the hope of heaven).**

**\*Because God is sovereign over Christ's suffering, even when life is out of my control, it's completely under God's control!**

**Rom. 8:28, 37-39**

**C.H. Spurgeon (1834-1892) --*When you go through a trial, the sovereignty of God is the pillow upon which you lay your head.***
