

Updates & Prayer Points #130

Mission: Living Christ-centered lives that glorify & enjoy God.

Vision: knowing, growing, showing, & going with Christ.

June 13, 2026

Hello RLBC Family & Friends,

Summertime is a great time to continue or establish godly habits. **1 Tim. 4:7** says ...*train yourself for godliness*. One of the ways to grow in godliness is by praying the words and themes of scripture as we read and meditate God's word. If you read about the Gospel, thank God for Jesus' death & resurrection and the relationship you have with God through Him (**1 Cor. 15:1-3**). If you're reading about faith, love, perseverance, family, the Holy Spirit, Christ's return etc., pray these themes back to God and rest in His promises. This gives us confidence before God (**1 Jn. 5:14-15**) and God will do what He said. So pray, pray again, and pray some more. Then watch God have His way.

Last Sunday we studied the Gospel in a message called "**Patient Progress**" (**Heb. 11:11-19**)" at rbctucson.church/sermons Praise God! See Photos.
